A cup for the first prize stallion will be given by Bell Bros., importers of Percheron and Belgian horses, Wooster, Ohio.

The Ohio State Fair Board has pledged \$500.00 in support of the Show in 1922. The Percheron Society of America guarantees two hundred dollars (\$200.00) for the Show in 1922. To these initial sums will be added fees for mare nominations and the payment fees on colts. The total purse therefore will be dependent upon the number of mares nominated and also upon the number of colts eligible by payments as specified above.

PERCHERON SOCIETY OF AMERICA SPECIALS FOR YEAR 1922

In 1922 the Percheron Society of America offers the following special premiums to be competed for by the exhibitors of this show:

1—Special ribbons will be awarded to the three American bred horses that stand highest in their respective open classes, any age, both sex. Example—If the first, fourth and fifth prize aged stallions in the open class are American-bred horses and the second and third prize horses are imported, the three special ribbons given by the Percheron Society of America will go to the first, fourth and fifth prize stallions in the open class because they are American-bred. The same arrangement applies to all the other classes where individual animals are shown, except for championships. Animals imported in dam are considered as imported animals. Special ribbons will be awarded in the championship classes.
